# Den rette tid

**"Den rette tid" er et uttrykk** som Bibelen taler om,- på norsk sier vi "I tidens fylde" på gamle-måten.

Det står at Jesus kom nettopp "i den rette tid" eller i "tidens fylde".

Det er den tiden hvor alt er forberedt, både menneskehjertene, politiske forhold, økonomiske forhold og ikke minst praktisk infrastruktur.

Nå er vi igjen i en tid som kan kalles "den rette tid" eller i "tidens fylde".

Vi kan må en unik måte dele evangeliet via TV til en hel verden.

Vi har økonomi og politiske omstendigheter slik at vi i Skandinavia i frihet kan misjonere på denne måten.

Vi har tekniske forutsetninger i hele verden.

Vi har kunnskap om hvordan bruke denne teknikken.

With kind regards

**Øyvind Rygg**

ViceVD Kanal 10 Asia

Det finnes en infrastruktur i Asia, som satellitter, kabel-TV, sosiale medier, smarttelefoner, nettbrett, datamaskiner og TV apparater. Alt er forberedt.

Og menneskehjertene er også forberedte på å være mottakere - mange mennesker er utsultet etter å ha prøvet å mette seg på materialisme eller falske guder.

**Så alt er tilrettelagt.** Det er den rette tid nå. Og tiden er vår.

Bladet du holder i dine hender er gjort nettopp for å vise hva som deles ut i Asia hver eneste dag 24 timer i døgnet.

Titt i bladet og vær med å be om at evangeliet får gjøre sitt mektige verk i asiaternes hungriige hjertene.
